

Who am I?

Down

1. I use my tail to carry things as well as for gripping branches when I'm climbing. When I'm not using my tail it curls up in the shape of a ring
2. I have black and white feathers and can be a very noisy bird. Watch out when I swoop!
4. I have a pouch, two very long feet and I can stand up on my tail!
5. I have large ears, a long tail and a pointed snout
11. I have thick gray fur, hairy ears and sharp claws for climbing. My favourite food is eucalyptus leaves

Across

3. I am very spiky and have a long sticky tongue, perfect for eating ants!
6. I am a nocturnal flying mammal. During the day I hang upside down in dark places like caves or tree tops to sleep
7. Hissssss... don't get too close or I might strike. I'm not venomous though
8. I am a wild dog with a bushy-tail and my coat is a reddish brown colour
9. I'm a bird who likes to sit high up in a tree and have a really good laugh
10. I am a large bird with black feathers, a bare red head and a yellow throat wattle
